

500P

Your best fighting chance.™

# FEATURES AND BENEFITS

## Extra Protection

Higher water and dust protection rating than ANY other AED. IP56 Certified

## Tough & Ready

Comes with a shock-proof carry case. Can be operated from within the case, saving precious seconds in an emergency

## Fast time to Shock

Will administer the shock within 8 seconds if required

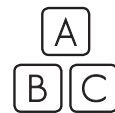

## All about CPR

Audio and Visual prompts instruct whether you need to "Push Harder" or "Push Faster" ensuring CPR is effective

## Low Cost

battery & pads are combined in one cartridge with a 4-year life. This makes it simple to monitor the expiry and cuts costs

## Simple Operation

Easy 3-step operating procedure with visual & audio prompts
